KNOWLEDGE THROUGH VISION

Video Flex® 7100

Make learning fun with the Video Flex 7100! Easy setup and easy to use, with a magnification power up to 50 times, the 7100 can even replace a microscope for many applications. The Ball and Socket head provides the maximum flexibility. Theft protection is provided through a Kenington® security lock.

Features and Benefits

- *Triangular Base* Slip and Tip proof
- *500 Lines of Resolution* For crisp clear images
- *Poly-Carbonate Build* Allows for rugged conditions and environment
